Dear Friend of MYPAC,

**RE: 15<sup>th</sup> Annual York University Planning Alumni Social – Sponsor Registration**

The Master in Environmental Studies at York Planning Alumni Committee (MYPAC) was formed in 2004 with the mission to provide a network for York University's future and current planning alumni. MYPAC supports student scholarships, mentorship programs, guest speaker series and a number of other educational opportunities catering to young planning professionals. In our efforts to continue our work, MYPAC invites you to sponsor the 15<sup>th</sup> Annual Planning Alumni Social.

Our annual event brings together our alumni, students and leaders in the planning field. This year's social event will take place on **Thursday, September 19, 2019** at R&D Restaurant located in Toronto's Chinatown district (241 Spadina Avenue). This bold and modern venue provides attendees with an opportunity to socialize in an inviting space, and enjoy modern Canadian Asian cuisine.

MYPAC is seeking your generous financial support to continue our ongoing educational activities and networking opportunities for York planning students. Sponsorship has its privileges, including company exposure to industry professionals and corporate tickets to the event. Supporters are encouraged to select from the following sponsorship levels: Platinum (\$1200), Gold (\$800), Silver (\$600), or Bronze (\$300). Please see the attached sponsorship registration form for further details.

We appreciate the contributions our sponsors have made throughout the years and we would like to acknowledge our 2018 sponsors:
